

YOUTH RESOURCES FUNDING MATRIX BY STATE & AGENCY

7/12/2005

The *Youth Resources Funding Matrix* represents a collaborative effort of the Federal partnership (Department of Labor, Department of Education, Department of Health & Human Services, and Department of Justice) to determine specific programs and funding streams that are currently available to assist the neediest youth in each state. This “mapping” of available funding will assist state teams in their efforts to form strategic partnerships and align youth-serving resources.

State Name	Agency	Funding Source	Amount	FY	Type	Purpose	Eligibility	Add. Info	Contact Info
Alaska	ED	Adult Education	\$1,077,004	EST	F	To assist adults to become literate and obtain the skills necessary for employment and self-sufficiency	Adult Education means services or instruction below postsecondary level for individuals (A) who have attained 16 years of age; (B) who are not enrolled or required to be enrolled in secondary school under state law; and (C) who-- (i) lack sufficient mastery of basic educational skills to enable them to function effectively in society; (ii) do not have a secondary school diploma or its recognized equivalent, and have not achieved an equivalent level of education; or (iii) are unable to speak, read, or write the English language. [AEFLA Public Law 105-220, SEC 203 (1)]	The Department of Education does not break Adult ED funds into Youth and/or Adult streams. However, this state has approximately 41% youth enrollment.	National, Adult Education, Sarah Newcomb
	DOJ	Title II Part B Formula Grants	\$836,000	2004	F	The Formula Grants Program is authorized under the JJDP Act of 1974 and subsequent amendments. The purpose of this program is to support states and local delinquency prevention and intervention efforts and juvenile justice system improvements. Explanatory Note:									
The <i>YOUTH RESOURCES FUNDING MATRIX</i> is not a complete resource listing of each partner agency's federally funded programs. Rather, this Matrix provides a template for State Teams to follow as they begin to assemble a comprehensive listing of resources devoted to the neediest youth within their individual states. Within each agency listings, please note the following:									
<u>The Department of Education:</u>									
Funding described represents <i>The Division of Adult Education and Literacy (DAEL)</i> 2005 estimated formula funds. For more information, please visit the Office of Vocational and Adult Education's website:									
http://www.ed.gov/about/offices/list/ovae/pi/AdultEd/index.html									
<u>The Department of Labor</u>									
1) Funding for the Workforce Investment Act (WIA) is based on 2004 formula funds.									
2) Job Corps is 2004 estimated funds.									
3) Native American is based on 2004 formula funding designed specifically for youth living on or near Indian reservations (with a few exceptions – Oklahoma City, Tulsa and Hawaii).									
4) <i>Responsible Reintegration of Youth Offenders</i> is 2003 discretionary funding.									
5) <i>The Foster Care Initiative</i> represents 2004 discretionary funding.									
For additional information, please visit the Office of Youth Services, the Employment and Training Administration, Department of Labor's website:									
http://www.doleta.gov/youth_services/									
<u>The Department of Health & Human Services:</u>									
Funding (2004) represented is through the <i>Administration for Children & Families</i> . It includes the following:									
1) <i>Independent Living Program</i> (formula);									
2) <i>Transitional Living Program</i> (formula, non-system homeless youth);									
3) <i>Positive Youth Development Collaboration Projects</i> (discretionary).									
For additional information on these programs, please visit:									
http://www.acf.hhs.gov
